## PROPERTY DESCRIPTION

Terrific light and bright home with formal living and dining rooms PLUS a granite kitchen with gas downdraft island, and informal eating area too. This plan boasts four bedrooms upstairs PLUS an office/den on main level. There is a spacious family room with gas fireplace, a large formal living room adjacent the formal dining room. The above mentioned kitchen has a granite gas island with an eating bar, and granite counters too. The kitchen eating area is next to the sliding door to the back patio. Upstairs there is an open landing with the four bedrooms, and the master suite features a walk in closet, plus a full bathroom with both a soaking tub and a separate shower.

There is also a two car attached garage, central air conditioning, forced air gas heat and gas water. The back yard has both a grassy area plus bark dust and shrubs and is sprinkled. The front yard is maintained by the association and there is a front porch too!

All this in coveted Orenco Gardens close to the neighborhood park, and the MAX trains as well as Intel and the high tech hub of Oregon.
